DUI Checkpoint Nets 3 Arrests

Riverside, CA – Riverside Police Department Traffic Unit conducted a DUI/Driver's License checkpoint on April 10, 2015, at Van Buren Blvd. and Trautwein Rd. between the hours of 7:00 p.m. and 1:00 a.m. Checkpoints are placed in locations that have the greatest opportunity for achieving drunk and drugged driving deterrence and provide the greatest safety for officers and the public.

DUI/Driver's License checkpoints have been shown to lower DUI deaths and injuries. A major component of these checkpoints are the deterrent effects it has on those who might drive drunk or drugged impaired, bringing about more awareness and encouraging everyone to use sober designated drivers.

According to the National Highway Traffic Safety Administration (NHTSA), checkpoints have provided the most effective documented results of any of the DUI enforcement strategies, while also yielding considerable cost savings of \$6 for every \$1 spent. Ninety Percent of California drivers approve of checkpoints.

Results of the checkpoint:

- 1400 Vehicles Screened
- 1 DUI-Alcohol suspects arrested
- 2 DUI-Drug impaired suspects arrested
- 8 Drivers cited/arrested for operating a vehicle while unlicensed
- 9 Drivers cited/arrested for operating a vehicle while suspended/revoked
- 36 Citations issued
- 11 vehicles towed
- We assisted 5 families by inspecting and instructing them on properly securing their children inside their vehicle by the use of car seats. One car seat was provided free of charge to a family who did not have proper child restraints for their child. Children left the checkpoint safer than they arrived.

As part of the Riverside County Avoid DUI Task Force, the Riverside Police Department will be conducting another DUI/Driver's License Checkpoint in May 2015 and additional DUI saturation Patrol throughout the year in our ongoing commitment to lowering deaths and injuries upon our streets and highways.

This checkpoint was funded by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration. Report Drunk Drivers – Call 9-1-1!
